

**Charlotte Mason memory box dividers.**

Print these on card stock. Print page 1 (Daily, Odd, and Even) on one color of card stock, pages 2-3 (Days of the Week) on a different color; and pages 4-11 (Dates of the Month) on another color. Add tape to strengthen the tabs before cutting. Either cut them individually; or stack pages that require the same cuts, paper clip or clamp them to eliminate shifting, and use a blade (craft blade, utility blade, box cutter, Olaf blade, single edge razor) and ruler to slice them. Or if you are good with a scissor, that works too.

<b>Daily</b>	<b>Odd</b>
<b>Even</b>
